**School Photos** - we have the school photo day scheduled for Thursday 16th of March. We kindly ask that students come to school in their school uniform. Order/payment envelopes were sent home with students last week. If you would like to order any photos please ensure that you follow the instructions on the envelope before next Thursday.

### Outside of School Hours Care

**Programme** - is an excellent opportunity for parents to continue working while ensuring that their children are well-cared for after school hours. The programme runs Monday to Friday from 3:00-6:00 and is funded, so the costs are minimal for parents. To cater to the diverse interests of the students, we provide a wide range of learning opportunities such as art, technology, sport, cooking, and board games. These activities are designed to be both fun and educational, and students can develop new skills while having a great time. Students need to register with the 'Smart Central' system to participate in the programme, which ensures that all children are accounted for and kept safe while they learn and play.

Our OSHC programme is an excellent opportunity for students to socialize, learn, and grow while providing peace of mind for busy parents. The link to the enrolment form in SmartCentral is: [https://www.smartcentral.net/v2/service\\_profile/show/808](https://www.smartcentral.net/v2/service_profile/show/808).

**Lunch Orders** - available each Friday via our canteen.

**How to make an order:** write what you would like to order on an envelope or fill in the order form attached with the correct money and make sure that it is handed in to Gini by 9am each Friday morning. The order form that is sent home can be used for multiple students in the same family.

**Parent Payments** - we have a very proud tradition of parents contributing to the costs of education our children. Historically, this has enabled us to provide students with additional opportunities, such as 1:1 access to iPads and computers, technology materials, subscriptions to learning programs and

more. In the past we invoiced families each year, however this is no longer possible under the new Department Payment Policy. In 2023 we are again simply asking for a parent contribution of \$170 per child.

## School Procedures for the Bushfire Season

Fire danger ratings and warnings are used in Victoria to provide clear direction on the safest options for preserving life.

Schools and children's services listed on the DEECD Bushfire At-Risk Register (BARR) will be closed when a Code Red fire danger rating day is determined in their Bureau of Meteorology district.

**Our school has been identified as being one of those at high bushfire risk and is listed on the BARR.**

Where possible, we will provide parents with up to four days notice of a potential Code Red day closure by letter and SMS message. A Code Red day will be determined by the Emergency Management Commissioner no later than 1.00pm the day before the potential closure. Once we are advised of the confirmation of the Code Red day we will provide you with advice before the end of the school day.

**Once confirmed, the decision to close will not change, regardless of improvements in the weather forecast.** This is to avoid confusion and help your family plan alternative care arrangements for your child. It is important to note that:

- No staff will be on site on days where the school is closed due to a forecast Code Red day.
- School camps and excursions will be cancelled if a Code Red fire danger rating day is determined for the Bureau of Meteorology district in which the camp is located.

On these Code Red days families are encouraged to enact their Bushfire Survival Plan - **on such days children should never be left at home or in the care of older children.**

For those of us living in a bushfire prone area, the CFA advise that when Code Red days are forecast, the safest option is to leave the night before or early on the morning of the Code Red day.

As part of preparing our school for potential hazards such as fire, we have recently updated and completed our Emergency Management Plan.

### **What can parents do?**

- Make sure your family's bushfire survival plan is up-to-date and includes alternative care arrangements in the event that our school is closed.

Ensure we have your current contact details, including your mobile phone numbers. Keep in touch with us by reading our newsletters, by checking our website <http://www.nangilocps.vic.edu.au> and by talking to your child's teacher or any other member of the teaching staff about our emergency management plan.

Most importantly at this time of year, if you're planning a holiday or short stay in the bush or in a coastal area, you should check warnings in advance of travel and remain vigilant during your stay.

If your child is old enough, talk to them about bushfires and your family's bushfire survival plan.

You can access more information about children's services closures on the Department of Education and Early Childhood Development website - see <http://www.education.vic.gov.au/about/programs/health/pages/closures.aspx>

For up-to-date information on this year's fire season, visit the CFA website at [www.cfa.vic.gov.au](http://www.cfa.vic.gov.au) or call the 24-hour Victorian Bushfires Information Line on 1800 240 667.
