**Outside of School Hours Care** - we are excited to announce the relaunch of the OSHC (Outside of School Hours Care) Program, featuring both the original activities and newly introduced options. Our aim is to foster an inclusive educational experience for children and encourage parents and caregivers to actively participate in ensuring its long-term sustainability. Moreover, we are pleased to extend the program into the Term 3 school holidays as a 'Vacation Care Program,' running from 8:00 am to 6:00 pm on Mondays, Wednesdays, and Fridays. Please note that there will be a limited capacity of 15 students. If you are interested, kindly get in touch with the school to secure a spot. Next week, we will share the Vacation Care timetable of activities and associated costs. Below, you'll find our new and aspirational 'Statement of Philosophy'; we invite you to read it and embark on this exciting journey with us.

### **OSHC - Statement of Philosophy**

At Nangiloc Colignan and District Primary School, we believe that every child is a unique individual with the potential for extraordinary growth and achievement. Our philosophy is centred on providing a holistic and inclusive educational experience that nurtures each student's physical, emotional, intellectual, and social development. We are committed to fostering a safe, stimulating, and supportive learning environment that inspires curiosity, creativity, and a lifelong love for learning.

Our dedicated educators embrace a learner-centred approach, recognising and celebrating the diverse strengths and talents of our students. We strive to create an engaging and challenging curriculum that encourages critical thinking, problem-solving, and independent inquiry. Through

collaborative partnerships with families and the community, we aim to create a cohesive and nurturing support network for our students. Our ultimate goal is to empower our students to become confident, compassionate, and responsible global citizens who are prepared to make a positive impact on the world. At Nangiloc Colignan and District Primary School, we are dedicated to excellence in education, providing a strong foundation for each student's academic success and personal growth.

**Next Week's OSHC Schedule** - below is a schedule of what we are offering next week. If you would like to book your children into the program please contact the school on 03 5029 1483 or Rayner (one of our amazing educators) on 0456 784 627 to make a booking.

# Directed Number: Colour by Number

Work out each directed number calculation, then use the key to find out which colour to shade that section.

For example:  
 $5 + -2 = 3$

Colour this section orange.

|                                                                                     |            |
|-------------------------------------------------------------------------------------|------------|
|    | Light Blue |
|                                                                                     | -10 to -8  |
