from 8.30am to 9.30am

~~~~~  
School Photo Day  
Monday 4.3.24

**Swimming** - our swimming and water safety activities have begun for the year, please ensure that all students bring their swimmers and a towel to school each day.

Dear Students, Parents, and Staff,

We trust you had a fantastic break filled with fun and relaxation. As we commence the new school year, we are excited to welcome back familiar faces and extend a warm greeting to all the new preps and families joining our school community.

This term promises to be an inspiring journey as we delve into our 'Design Expo,' themed 'Designing Our Future, Global, Local, and Personal.' It is an opportunity for creativity to flourish, and innovative ideas to take center stage. The Essential Questions we will be exploring are: How can we think things through to achieve better outcomes? What challenges and opportunities do we face by having a growth mindset? How does design solve ethical, social, and environmental problems?

To our new preps, we are thrilled to have you begin your educational adventure with us. We can't wait to watch you grow, learn, and make lasting memories at Nangiloc Colignan Primary School.

For our returning students, welcome back! Your enthusiasm, curiosity, and unique talents contribute to the vibrant spirit of our school, and we look forward to another year of shared achievements and success.

To our dedicated parents and families, your involvement and support are invaluable. Thank you for entrusting us with the education and growth of your children. Together, we can make this school year a remarkable and enriching experience for all. Let's embrace the challenges and opportunities that lie ahead, working together to create a positive and nurturing environment.

May this year be filled with discovery, friendship, and a shared commitment to 'Lead, Inspire, Inquire.'

Wishing everyone a fantastic and successful 2024 school year!

Warm regards,

Ben Crum  
Principal

**Permission Form** - attached is a copy of our general permission form covering some of the activities planned for 2024. We kindly ask families to please review this, sign it and return to school as soon as possible.

**Prep's** - for the month of February, all Prep students have the option of staying home on Wednesday's. However, if they are up to it, we encourage them to come to school, but if they need a day to refresh, this is available to them.

**Outside of School Hours Care** - is continuing to run each Monday to Friday from 3pm to 6pm. The cost is \$15 per session per child but maybe subsidised with CCS if families are eligible. There is a range of meaningful activities planned each day for students to participate in.

All new students who are interested in participating must be enrolled in this program. The following link is the enrolment form in SmartCentral where families can set up an account and enter their child's details and booking dates [https://www.smartcentral.net/v2/service\\_profile/show/808](https://www.smartcentral.net/v2/service_profile/show/808).

**Routine or Casual Bookings** - parents/carers can book students into the program in advance for routine days. This helps us organise resources to best accommodate students. Parents/carers can also book students in on a casual basis by phoning the school on 5029 1483 or contacting Ben to book their child in for the required OSHC session. It is imperative that the school is notified as soon as possible that the child will be attending the program. Students must be enrolled in the program via SmartCentral before they can attend.

**Parents/carers applying for Childcare Subsidy through Centrelink** - the cost of a session is \$15, however, families eligible for CCS funding will only need to pay the gap amount. For example, if a parent is eligible for an 80% rebate, for each session the school will receive \$12 from Centrelink and the parent will only be invoiced \$3.

If you have any questions or require any assistance please contact the school.

**Camps, Sports and Excursion Fund (CSEF)** - the Victorian Government is offering financial assistance again this year to ensure all students can take part in school trips and sporting activities. CSEF applications are now open. If you are eligible for this funding please fill in the attached form and return to the school as soon as possible. On page 2 of the application form there are further details about CSEF including eligibility criteria and payment amounts.

**Lunch Orders** - available each Friday via our canteen. **How to make an order:** write what you would like to order on an envelope or fill in the order form attached with the correct money and make sure that it is handed in to Gini by 9am each Friday morning.

**School Fees** - are no longer compulsory as per the Department of Education Payment Policy. We simply ask for a voluntary contribution payment of \$170 per student. This is not compulsory.

**School Council Membership** - if you are interested in joining our School Council please fill in the attached form and return to school. The role of a School Council member is to support the Principal to provide the best possible educational outcomes for students. The Council meets twice per term. If you would like more information please contact Ben on 0429 264 448.
