I hope you're all feeling warm and healthy as we head into winter. I want to take a moment to emphasize the importance of regular school attendance. This helps students stay on track with their learning, build strong relationships with their peers and teachers, and fully participate in the vibrant life of our school community. However, we understand that winter is a challenging time, with various bugs and illnesses circulating.

We are also excited to announce that After School Care will provide support for students with their reading and math homework. This is a wonderful opportunity for students to receive additional academic assistance in a supportive environment. Please note that we have a limit of 15 students per session.

Additionally, we are introducing a special Wednesday evening dinner for students enrolled in After School Care. This new initiative aims to provide a nutritious meal and a chance for students to relax and socialise after a busy day of learning.

We believe these initiatives will greatly benefit our students and support their academic and personal growth. If you wish to enrol your child in After School Care or have any questions, please contact our office as soon as possible, as spaces are limited.

Thank you for your ongoing support and cooperation. Together, we can ensure that our children thrive both academically and personally.

Warm regards,

Ben Crum  
Principal

### Outside of School Hours Care

Program - has really picked up in attendances. Thank you to all the families who are utilising this incredible service and thank you to Cherylee and Sheena for their outstanding efforts in staffing this program.

Each Wednesday we are offering a delicious and nutritious meal as part of the program. This has been very successful and we kindly ask families book students in by Friday for the following Wednesday.

### Reminder for OSHC Bookings

- we kindly remind families to let us know by 10am if they are wishing to book their children into our OSHC program for the day. Also, to let us know if children who have a regular booking will be absent on the day.

Please contact Sheena on 0447 530 356

This is to help us manage our attendances so we do not have to turn families away, as some days are completely booked.

Thank you for your support.

**HAPPY  
BIRTHDAY!**

## From the 3-4-5 Class

Mr.Pav's grade 3-4-5 class hosted Mr. Hume's Prep-1-2 class this week in science.

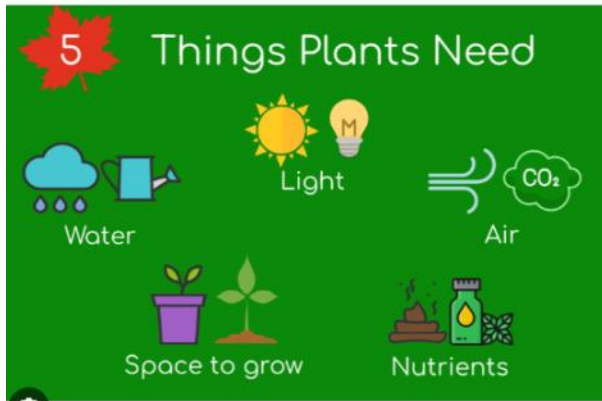

The prep-1-2's demonstrated how their science project is going with the differences in sunlight, temperature, water consumption and placement of their plants.

Whilst Mr. Pav's grade 3-4-5 students showed the prep-1-2's the life cycle of the seeds they have growing in their classroom.

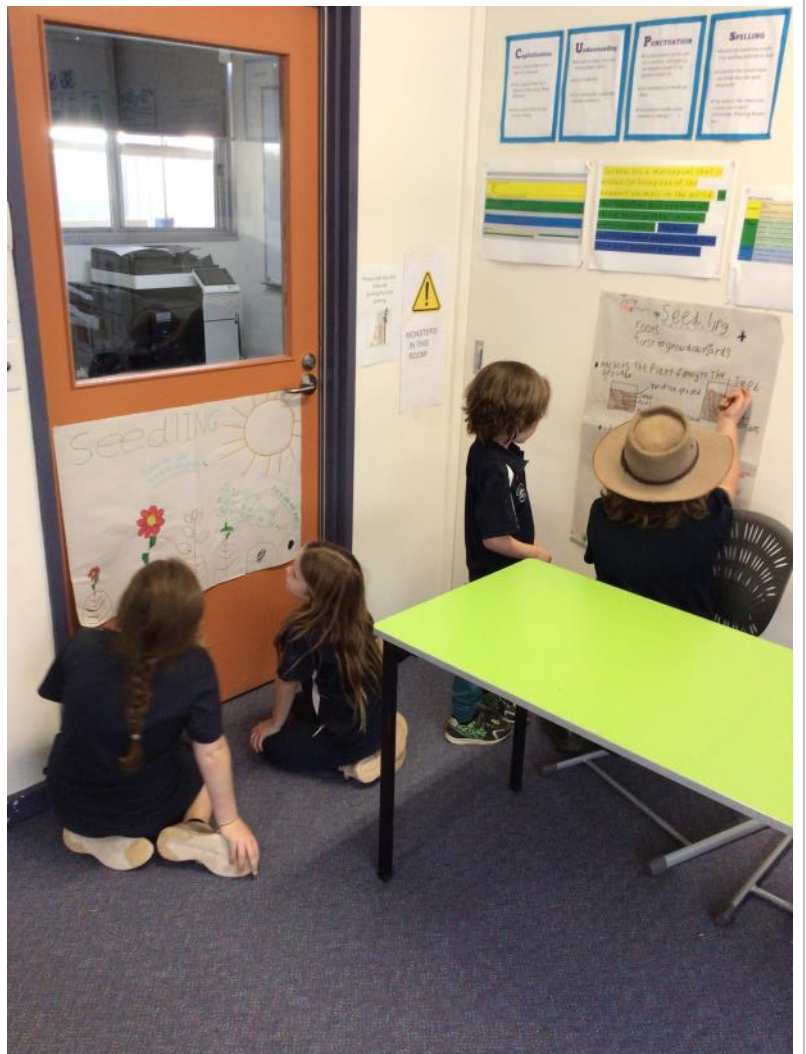

All students had an enjoyable learning experience as they contributed to the class discussion and kahoot question and answer session.

# AFTER SCHOOL CARE

LEAD INSPIRE INQUIRE

## About

Welcome families, to our revamped after-school care program! Our after-school care program continues to run Monday - Friday from 3 pm to 6 pm. We're excited to unveil a new approach that embraces the beauty of unplugged, technology-free exploration.

### Tech-Free Oasis:

In a world dominated by screens, our program is proudly technology-free, allowing young minds to roam free. Here, the focus is on real-world experiences, fostering creativity, critical thinking, and genuine human connection.

### Homework Club (20 Minutes per Student):

A dedicated space where students receive individualised attention for 20 minutes each. The purpose of a homework club is to provide students with a structured and supportive environment outside of regular classroom hours where they can focus on completing their homework and improving their academic skills.

### Community Garden Project (15-20 Minutes):

For 15-20 minutes daily, the children are invited to immerse themselves in the wonders of gardening, responsibility, and environmental awareness. From planting, weeding and enjoying the produce we grow.

### Snack and Craft Activities:

Children will be offered a nutritious snack each day. We will also do cooking and baking.

Crafting masterpieces & different projects will be rotated through the week, such as painting, clay modeling, scrapbooking, or making crafts from our cupboard full of supplies

## Cost & Bookings

CCS is available, making the gap amount payable, as little as \$2 to those eligible. Wednesday dinner is included in this price.

Please contact the school if you require more information.
