# Outside of School Hours Care (OSHC) Program

## Update

Firstly, we would like to thank all the families who support our wonderful program.

Our OSHC program has been running for the past 2 1/2 years and has proved to be a great help to families and to provide children with activities outside of school hours.

Originally, our school received a grant to set up and run the program, however, the grant expires at the end of this year. This means going forward the program will have to generate enough funds to cover staff wages, cost of materials, food and software costs. **Therefore, from the beginning of Term 4 - Monday 7th of October, we will be increasing the cost of our OSHC to \$30 per session per child.**

Families who are registered for CCS through Centrelink will still only be charged the gap amount, which will increase to as little as approximately \$4.36 per child per session. Currently, families who receive CCS funding pay as little as \$2.18 per child per session.

By increasing our session rate we are also bringing our program in line with other programs running in the Mildura/Red Cliffs area.

The program will still continue to offer the great service and activities we have been offering with our amazing staff, Cherylee and Sheena.

## Students from Prep to Grade 6 had an amazing time in Mr. Pav's P.E session last Friday

They completed a warm-up via 'Just Dance'.

Then they moved into a Zumba class which promoted movement and coordination.

Then they progressed into a high intensity kick boxing session which elevated their heart rates and promoted cardiovascular health.

Students had a short drink break then proceeded out in the yard for a fitness circuit with up to 30 stations to test their strength, agility, flexibility and stamina.

Finally, students completed the session with a game of 'golden child' to fulfil their competitive pursuits.

Well done to each student who completed all of the activities.

## Outside of School Hours Care Program

**Visit from Frank Tucker** - last week we had a visit from Frank Tucker who brought in some games and activities from years gone by for students have a go at. All students thoroughly enjoyed themselves and had a great day of fun and learning. Thank you Frank for coming to our school and showing us all these fun games and sharing your knowledge.
